

2017 INEP Fall Training

Connecting and Engaging for Greater Impact

DAY 1 – Opening

Welcome!

Our Impact in the World

Remember a time when you witnessed a big impact on someone’s life because of your work. Who was that person? What impact did you see or hear about? What two elements were present that helped lead to this impact?

Get up and greet someone in the room you don’t know. Introduce yourself and what you do. Then, share your story of impact with that person, and how/why you believe you helped make this possible.

The Title and Plan for this Gathering

Just as our stories demonstrate, we all care a lot about real impact in real lives! We want to make a difference. This is why we have titled this gathering “Connecting and Engaging for Greater Impact”. These days will be about:

- Connecting
- Engaging
- Getting greater impact

A Plan to Connect and Engage

To help maximize the potential of this time together, we want to invite you to make a plan. Take a few minutes right now to answer the two questions below:

CONNECT: What two people do you want to connect with over the next two days?

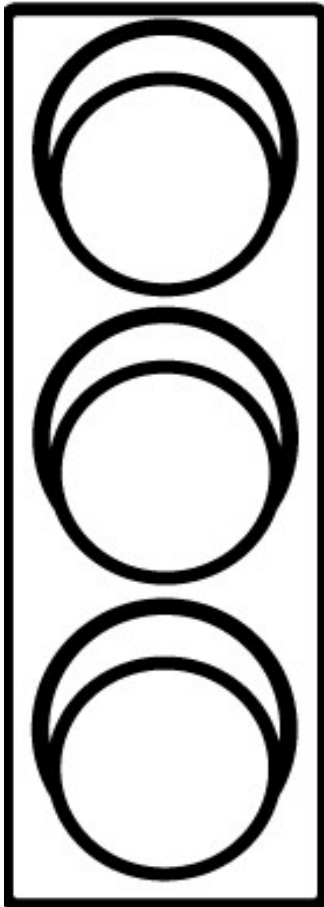

Who will I connect with	Why	When

ENGAGE: What will you do (or not do!) that will help maximize your engagement at this INEP gathering?

I will...

DAY 2 – Closing

Take some time on your own to reflect on the past two days. When you consider the title of this gathering, what will you **START**, **STOP** or **BE CAUTIOUS** of in the next weeks that will help you better *connect and engage with others for greater impact in the world?*

What will you STOP doing?

I will...

What will you BE CAUTIOUS of doing?

I will...

What will you START doing?

I will...

Stand up and go to someone you have not yet spent time with at this week. Share your plans and offer some words of encouragement to that person.
