

Learning & Change Institute Feedback

Thank you so much for your active participation in the 2013 Learning & Change International Dialogue Education Institute! We hope you found some valuable new learning that you're already applying in your work and life.

We'd appreciate your honest feedback in this 6-question survey. It's important that we hear everything you're willing to share, about what worked for you, what didn't work and what could have been better. Learning, as you know, is very important to GLP, and we'd like to learn from your experience. Participants at the next institute will benefit from your honest assessment. Thanks in advance for your thoughts!
