

Visuals in Teaching – drawing

GLP Client: International Budget Partnerships (IBP)

Event: “Transforming Connections into Movement” (a 3-day Executive Team Retreat)

Example: Use a drawing activity as a warm-up to focus everyone’s attention

DAY 2
Bringing Our Attention to the Now

Welcome Back and Check-in
An Overview of the Day

Who are We, and What is Our Role?

How I see it:
Let’s start our day by rooting it in how we see ourselves as the Executive Team and our role in IBP. On your own, draw a picture that represents how you see the ET today.

Take 10 minutes to greet someone you haven’t greeted yet today and share your drawings.

We will hear from everyone.

- *What did you notice in all that was shared?*
