

## Visuals in Teaching – image on a page

**GLP Client:** The Prosperity Agenda

**Event:** “The Tools and Skills for Success: Designing a Learning Program to Strengthen Outcomes” (an event to co-design a learning program)

**Example:** Use an image to mirror the written text

The learning program we are building together is about putting a few useful tools into skilful hands so that CAP agencies are equipped to see and to strengthen outcomes.

**Consider** the role of a Sherpa for a team climbing Mt. Everest.

### **The Sherpa as a Metaphor for Our Work**

Is clear on the destination

Has the tools and skills to get you where you need to go

Is familiar with the route and flexible to adapt to circumstances

Guides others through some dizzying peaks!
