## COMPLETING YOUR DESIGN

### STEP 6 + 7: Content + Objectives (What + What For)

<b>Content</b> (Skills, Concepts, Attitudes you will focus on in the design)	<b>Objectives</b> (What learners will <i>DO</i> with the content)
	By the end of this online/blended experience, learners will have...

**Step 8: Learning Tasks (How)**

Insert your objectives at the top of each column and map out the specific steps learners will take to achieve it, below. (If this worksheet feels too confining for you, use sticky notes or any other way of mapping out the specific learning tasks.) Have fun!
