

Personal Reflection – December 11, 2021

**In Love with Life; In love with Dying**

God, Almighty, I love this life.

Blue skies, dark skies

Morning, night.

The pain is exquisite:

2:00 a.m. shocking me awake.

Someone saying

In the new sleep: *"I've got you."*

God, Almighty, I'm also in love with dying

Going home at last

90 years! Enough, already!

I'm tired, I'm ready,

A Rocking-Chair woman, with

Only one prayer: *THANKS & PRAISE,*

Living and dying in an Alleluia house!
